**Sarika Brass Exports** is one of the expert trader and exporter of Brass Precision Turned Components. With achieving an ISO 9001:2008 certification, our products are a complete wrap of quality, rich features and customization with keeping constant innovations at the nucleus.

Our business unit based in Jamnagar, India has a well equipped tool room with implementing upgraded technology and installing tough machineries that help us to achieve high quality consciousness and state of the art facilities to our customer.

# Product Categories

## 1. Brass Bathroom Fittings

<b>Size :</b>	Shall be manufactured only as per Customer's specified Drawings and Samples.
<b>Threading :</b>	Various types and sizes of Threading like B.S.W., B.S.F., B.S.B., B.S.P. & B.S.P.T as per British Standard Whitworth Form and N.C. & U.N.C., N.F. & U.N.F., N.P.T & N.P.S., N.S., N.E.F. etc as per American National Form Threads are available. All threads shall be as per International GO & NO-Go Standards.
<b>Plating/Finish Available :</b>	Various types of Plating/Finish like Natural, Nickel, Silver, Tin or as specified are available as per specified layer of microns.
<b>Material :</b>	High grade free cutting brass as per IS 319 (Type 1) or BS 249 (Type 1) or any other special Brass material composition as per customer requirement.

We can manufacture and export Brass Bathroom Fittings as per specifications (custom drawing and samples)

## 2. Brass Cable Glands

Cable Glands are produced in a number of different materials and many components are designed specifically for a market solution.

A1/A2 Type Cable Glands

BW Type Cable Glands

Cw Type Cable Glands

E1w Type Cable Glands

<b>Materials:</b>	Brass BS 2874 CZ121 Pb3
<b>size:</b>	20 mm to 90 mm
<b>Standard:</b>	EN 50262 : 1999
<b>Application:</b>	Outdoor or Indoor for use with all types of Unarmoured Cable
<b>Accessories:</b>	Matching Accessories available like PVC Shrouds, Lock Nuts, Earth Tags, Reducers, Adaptors, etc. as per the requirement

We can manufacture and export Brass Cable Glands as per specifications (custom drawing and samples)

### 3. Brass Compression Cable

<b>Material :</b>	Brass to BS 2874 / 2872 Any special Brass Material Composition as per customers requirement
<b>Threads :</b>	BSP BSPT NPT NPTF metric threaded fittings
<b>Finish :</b>	Brass natural

We can manufacture and export Brass Compression Fittings as per specifications (custom drawing and samples)

## 4. Brass Earthing Parts

Brass Earth Tags

DC Tape Clip

Earth Rods

We can manufacture and export Brass Earthing Parts as per specifications (custom drawing and samples)

## 5. Brass Electrical Parts

We Electrical Plug Pins, Sockets Pins, Brass Neutral Links, Brass Terminal Block, Brass Connectors, Brass Earthing Accessories like Brass Dc Clip, Brass Earthing Clamp, Brass Couplers, Brass Earth Roads are manufacturing all Kinds of Brass Electrical Components, Parts, and Fittings Like Brass Dc Clip, Brass Earthing Clamp, Brass Couplers, Brass Earth Roads.

<b>Size :</b>	manufactured only as per Customer's specified Drawings and Samples.
<b>Threading :</b>	Various types and sizes of Threading like B.S.W., B.S.F., B.S.B., B.S.P. & B.S.P.T as per British Standard Whitworth Form and N.C. & U.N.C., N.F. & U.N.F., N.P.T & N.P.S., N.S., N.E.F. etc as per American National Form Threads are available. All threads shall be as per International GO & NO-Go Standards.
<b>Plating/Finish Available :</b>	Various types of Plating/Finish like Natural, Nickel, Silver, Tin or as specified are available as per specified layer of microns.
<b>Material :</b>	High grade free cutting brass as per IS 319 (Type 1) or BS 249 (Type 1) or any other special Brass material composition as per customer requirement.

We can manufacture and export Brass Electrical Parts as per specifications (custom drawing and samples)

## 6. Brass Fasteners

We can manufacture and export Brass Fasteners as per specifications (custom drawing and samples)

Brass Anchor

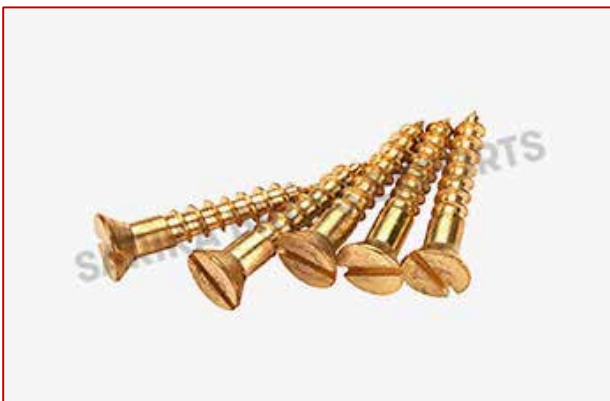

Brass Bolts

Brass Nuts

Brass Washers

Brass Screws

Brass Inserts

## 7. Brass Hydraulic Fittings

Our products range are Hydraulic Fittings, Brass Elbows Connectors, Threaded Fittings, Brass Reducing Bushes, Brass 3 Way Connectors, Brass Male Compression studs, Brass Adapters, Hose Adaptors as per requirements

<b>Material :</b>	High Grade Free Cutting Brass CZ 114 BS 2874 CZ 115 c377 c380, BS 2874
<b>Finish :</b>	Natural Brass, Chrome plated or Nickel plated.
<b>Threads :</b>	BSP (Gas), BSPT, NPT NPTF UNF and ISO Metric.
<b>Size :</b>	1/8" 1/4" 3/8" 1/2" 3/4" 1" 1 1/4" 1 1/2" 2" 2 1/2" 3".

We can manufacture and export Brass Hydraulic Fittings as per specifications (custom drawing and samples)

## 8. Brass Inserts

We can manufacture and export Brass Inserts as per specifications (custom drawing and samples)

Brass PPR Fittings

Brass CPVC Fittings

Brass Molding Inserts

## 9. Brass Line Taps

We are engaged in offering Brass Split Bolts, these are manufactured using high-grade brass along with the latest technologies and machines following international standards. In order to meet the requirements of customers, we offer these bolts in all sizes and dimensions.

We can manufacture and export Brass Line Taps as per specifications (custom drawing and samples)

<b>Range of Products:</b>	10 mm to 500 mm As per Drawing & samples
<b>Material:</b>	Free Cutting Brass 319 Type BS-249 Any special Brass Material Composition on request
<b>Features:</b>	Superior polish Precise dimension Strong construction

## 10. Brass Pneumatic Fittings

Our products range are Hydraulic Fittings, Brass Elbows Connectors, Threaded Fittings, Brass Reducing Bushes, Brass 3 Way Connectors, Brass Male Compression studs, Brass Adapters, Hose Adaptors as per requirements

<b>Material :</b>	High Grade Free Cutting Brass CZ 114 BS 2874 CZ 115 c377 c380, BS 2874
<b>Finish :</b>	Natural Brass, Chrome plated or Nickel plated.
<b>Threads :</b>	BSP (Gas), BSPT, NPT NPTF UNF and ISO Metric.
<b>Size :</b>	1/8" 1/4" 3/8" 1/2" 3/4" 1" 1 1/4" 1 1/2" 2" 2 1/2" 3".

We can manufacture and export Brass Pneumatic Fittings as per specifications (custom drawing and samples)

# 11. Brass Sanitary Parts

These Brass components are installed in several sanitary applications like; Hot-Cold Water Taps, Wall Mixers, Washing Machines, Wash Basins, Bidets, WC Suits, Faucets, Solar Panels, Air Conditioning, Water Pumps, Water Meters, Water Heaters and many more.

<b>Size :</b>	Shall be manufactured only as per Customer's specified Drawings and Samples.
<b>Threading :</b>	Various types and sizes of Threading like B.S.W., B.S.F., B.S.B., B.S.P. & B.S.P.T as per British Standard Whitworth Form and N.C. & U.N.C., N.F. & U.N.F., N.P.T & N.P.S., N.S., N.E.F. etc as per American National Form Threads are available. All threads shall be as per International GO & NO-Go Standards.
<b>Plating/Finish Available :</b>	Various types of Plating/Finish like Natural, Nickel, Silver, Tin or as specified are available as per specified layer of microns.
<b>Material :</b>	High grade free cutting brass as per IS 319 (Type 1) or BS 249 (Type 1) or any other special Brass material composition as per customer requirement.

We can manufacture and export Brass Sanitary Parts as per specifications (custom drawing and samples)

## 12. Precision Turned Parts

Brass Precision Turned Components are fabricated using supreme quality material that ensures excellent strength and used in automobile industry, telecommunication sector, electronic industry among others. These are available as per the needs of the clients at affordable prices in the market.

<b>Available Size:</b>	As per customer's requirements of any size (as per drawing/samples)
<b>Material:</b>	1) Brass BS-249, 2) Brass IS-319 Free Cutting Brass 3) CZ -360 High Grad brass & any special brass material composition as per customer specifications.
<b>Threads:</b>	1) UNEF Threads 2) NPTF Threads 3) NPT Threads 4) BSP Threads 5) BSPT Threads 6) Metric Threads & any special threads as per customer specifications.
<b>Finish:</b>	1) Natural Brass Chrome Nickel Plated & any special finish/plating as per customer specifications.

We can manufacture and export Precision Turned Parts as per specifications (custom drawing and samples)
